

ONTARIO HOMEOPATHIC MEDICAL ASSOCIATION

HONOURING SAMUEL HAHNEMANN

SATURDAY, 11TH APRIL, 2026 FROM 9 AM - 4 PM EST

FROM YEARS OF SUFFERING TO MONTHS OF HEALING: A HOMEOPATHIC MIRACLE THROUGH MIASMS

Dr. Kavita Chandak is an internationally recognized homeopathic physician with over 25 years of clinical experience treating patients worldwide. Known for her compassionate and individualized approach, she focuses on addressing the root causes of illness while delivering sustainable, holistic care.

Her clinical expertise spans women's health (including hormonal imbalances, fertility, pregnancy, and PCOS), autism spectrum disorders, orthopedic conditions, kidney disorders, and comprehensive family care. Her dedication and clinical excellence have earned her five Golden Book of World Records recognitions for her remarkable contributions in complex cases, including kidney disorders, mucormycosis, SLE-Lupus, and autism care.

An accomplished author and global educator, Dr. Chandak has delivered thousands of lectures and seminars internationally. She has been an invited keynote speaker at major conferences across New Zealand, Russia, Romania, Greece, Colombia, Spain, and the United States, including LMHI and Joint American Homeopathic Conferences. She is also the author of 13 books and hundreds of published research and medical articles.

Through her clinical practice, teaching, and global outreach initiatives, Dr. Chandak continues to advance homeopathy with integrity, innovation, and a deep commitment to individualized patient care.
