

ONTARIO HOMEOPATHIC MEDICAL ASSOCIATION

FREE WEBINAR

WEDNESDAY, JULY 15TH, 2026 FROM 7:30 PM - 9:30 PM EST

PCOS

Dr. Nisha Nigil Haroon is a distinguished endocrinologist, clinician, researcher, and community leader recognized for her contributions to women's health, endocrine care, and healthcare advocacy. She currently serves as a community endocrinologist in Ontario and is a Clinical Faculty member at Toronto Metropolitan University School of Medicine. She previously held the position of Associate Professor at Northern Ontario School of Medicine.

Throughout her career, Dr. Nisha has been dedicated to advancing patient care and medical knowledge through clinical practice, research, and education. Her scholarly work has focused on endocrine disorders, women's health, and healthcare improvement, resulting in numerous research publications. Her achievements have been recognized through prestigious honours, including the Knowledge Translation Award from the Physicians' Services Incorporated Foundation and the Early Investigator Award from The Endocrine Society.

Beyond her clinical and academic accomplishments, Dr. Nisha is a passionate advocate for equitable healthcare and professional development. She has played a leading role in initiatives supporting international medical graduates and has been actively involved in community health programs aimed at improving access to care and promoting health education. Widely respected for her leadership and dedication, she continues to make a meaningful impact on patients, healthcare professionals, and communities across Ontario.

**SPEAKER: DR. NISHA NIGIL HAROON
MD, FRCPC**
